Summary of reasons for decision:

This publication has been classified R16 because of the manner in which it deals with matters of sex and sexual violence. It is a screenshot of an internet search from a cellphone; the results of which include explicit references to sex and sexual violence. These are not depicted, or described in any detail. The decision infringes the right to freedom of expression as set out in the New Zealand Bill of Rights Act 1990 but is justified by the likelihood of injury to the public good to those under 16.
